Helping You Celebrate All Occasions!

Dear Vendor,

My name is Patricia and I am the General Manager of Patty's Linen Rentals. I am very excited to reach out to you and introduce to you our family company located in National City, CA. Although we may be located in the Southern Region of San Diego, we service the entire San Diego County.

As mentioned, Patty's Linen Rentals is a family owned and operated company for over 20 years. The company started out of Patty's home garage with white basic linens and a few colors. By 2008, the polyester linen inventory grew and a warehouse was in need. Today, we carry over 9 sizes in polyester linens, including napkins and table runners. We also carry various materials such as Shantung, Sequin, Velvet, Crush Satin, Crinkle Taffeta and such, our inventory is just as extensive and we make it all. To top it off, we are not afraid to have more in inventory. If you need more than 100, we can either make it happen or have a solution. Need last minute linens? We are here for you! Last minute orders always happen and we fully understand! We are here to help YOU! As you may see, we are a little more limited on Specialty Linens, but as mentioned before, we are not afraid of inventory. If there is a specific color that you need, we can do our best and get it ready for you. Just call and ask us - we are always happy to help and find a solution. We will try and have an answer for you within 12 - 24 hours and let you know if we can make it happen.

In the following pages I have provided you with a Digital Swatch Catalog of the current Floor Length Linens and that we carry in stock. We also carry items such as table runners and overlays in the polyester material and table runners only in shantung, and sequin material. Napkins are available in polyester and shantung. Although the Crush Satin we also have available - this is more limited. Please keep in mind that we are a growing company and we are updating our Inventory every couple of months with new colors and textures. We will do our best to keep you updated as often as possible when new linens arrive. To stay up to date, please check out our Social Media Pages at @PattysLinens for new arrivals.

If you have any questions or concerns, I would be more than happy to answer every single one. You may email me or call me directly at our office. If it is after business hours, feel free to contact me directly on my cell phone at (619) 919-2788. I look forward to "Helping You Celebrate All Occasions" for you and your clients.

Sincerely,

Patricia Romero
